## In front of the class

Lucas and Dustin smirked at each other. Last night, Dustin was listening on the walkie as Lucas gave Max a hard fucking. After she had left, he made his presence known and asked Lucas if he could join one day. Once Max got home, they told her what would happen the next day. Lucas also told Max to wear an ass plug to stretch her out for them. She agreed and went to sleep, dreaming about what the next day would hold.

Max made sure to sit in between the two boys. The class was having a free day as there was nothing to do. Max handed Lucas the controller to control the vibrator before class. Mr. Clarke stepped out to talk with another teacher. Dustin walked up to the board and wrote SEX ED in black marker. Lucas and Max walked up, pushing away everything on the desk. The redhead laid down, spreading her legs for the class.

"What you're about to see may scar you for life," Dustin announced proudly as he took off all Max's clothing.

"This is a pussy," Lucas said putting his finger at her entrance. "Things can go in and out of it," he pushed it in causing the girl on the table to moan. "And this is a slut," Dustin said slapping the girl across the face harshly. Max moaned as Lucas fingered her roughly. "People love to use it."

Max held onto Dustin's arm as he toyed with her nipples. The boys in the class tried to hide their obvious erections. Lucas retracted his fingers from the girl and walked around the desk to get a ruler. He then walked to the front of the class, slapping Max's thigh with the ruler. "Today, class, we will be learning how to use a slut. First you really wanna get them warmed up, Max get on all fours. Show us that pretty jewel." The redhead nodded, getting on her hands and knees. Dustin spread her cheeks open to show everyone the pink jewel that filled her hole. Dustin squeezed one of the globes. Lucas took the

ruler, spanking her harshly with it. "Dustin, why don't you put her dirty mouth to use?"

Dustin nodded, unzipping his pants. He pulled out his cock as Lucas turned Max around. She laid on the desk, with her head hanging off of the right side. Dustin walked over forcing his cock in her mouth. He quickly started to thrust into her mouth, enjoying the way she gagged and choked. Wet sounds filled the room as Lucas spread Max's legs open. He licked once, twice at her clit before sucking on the bundle of nerves. Max moaned, sending vibrations to Dustin's cock. "Oh fuck, atta girl!"

Lucas smirked, thrusting his tongue in and out of her tight, pink hole. The girl groaned, her hands finding the back of Lucas's head. Dustin pulled out of her mouth and tapped Lucas. The other boy stopped licking at her. "Now that she's prepared, you see how much she can take." Lucas said pulling his pants off. He and Dustin looked at each other before he pushed in slowly. Max moaned, holding onto his arm. He started to move to let her get comfortable with his size. Dustin pushed in next to Lucas, and soon they were both in her. Max's eyes widened at the feeling. She gripped the table tightly as they started to thrust in and out of her. "F-fuck!" She breathed out. Max felt the knot in her stomach grow tighter then felt something squirt out of her. She moaned as they kept going after she had squirted her juices all over the floor. Most of the boys, including Mike and Will, had come all over the floor at this point. No amount of porn would compare to this.

Dustin held onto her neck as he thrust into her harshly. The feeling of Lucas rubbing up against him in such a tight space was surprisingly enjoyable. Dustin moaned as Lucas started to go faster. Lucas pulled both of them out. He sat on the desk, setting Max down first. He slowly pulled the plug out, loving the way her hole fluttered around, searching for something to stretch around. He quickly slid into her, fucking her as hard as he could. Max's loud moans filled the room. Dustin watched the couple, stroking his dick. He walked over, sliding into Max's pussy. The two locked eyes over her shoulder before they thrust at different times. Lucas goes out, Dustin goes in. Dustin goes out, Lucas goes in. It was the best thing Max had ever felt. She moaned, bouncing on their cocks and toying with her

nipples. Dustin sucked hickeys onto her neck. He groaned at the feeling of Max tightening around him. "Fuck I'm gonna come in your girl."

"Do it!"

Dustin went faster. Max was a moaning, blubbering mess. She was sure she wasn't gonna last at school. They were practically turning her brain to mush with the way they were fucking her. Dustin groaned into Max's skin as he came. Max came as well, causing her to milk Lucas's cock with the way she was squeezing. The two stayed inside her as she fell asleep. Mr. Clarke came back into the room, gasping at the sight. "What is going on here?!"

"Sex Ed?"

The three had much more fun in detention after school.
